

Tela de Login

A mobile application login screen mockup. The screen is framed by a thick black border representing the phone's bezel. At the top, there is a status bar with a grey background containing icons for signal strength, battery, and the time 19:09. Below the status bar is a blue header bar with the word "Login" in white. The main content area is white and contains two text input fields. The first field is labeled "Email" and the second is labeled "Senha". Below the "Senha" field are two buttons: a blue button labeled "ENTRAR" and a grey button labeled "CRIAR CONTA". The phone's home indicator is visible at the bottom.

CRIAR CONTA

A hand-drawn sketch of a mobile application interface for a registration screen. The screen is enclosed in a rounded rectangle with a thick black border. At the top, there is a status bar with a grey background, showing a Wi-Fi icon, a cellular signal icon, a battery icon, and the time 19:09. Below the status bar is a blue header bar with the text "Criar Conta" in white. The main content area has a white background and is titled "Dados do Usuário" in blue. It contains three input fields, each with a label to its left and a horizontal line for text entry: "Nome", "Email", and "Senha". Below these fields is a blue button with the text "CRIAR CONTA" in white. The entire sketch is set against a white background.

CRIAR CONTA

The image shows a mobile application interface for registering a gas station. The app is displayed within a smartphone frame. At the top, a blue header bar contains the text "Novo Posto". Below this, the title "Dados do Posto de Combustível" is centered. The form consists of three text input fields labeled "Nome", "UF", and "Cidade", each followed by a horizontal line for text entry. At the bottom of the form is a blue button with the text "SALVAR". The status bar at the top of the phone screen shows signal strength, battery level, and the time 19:09.

SALVAR

A smartphone mockup displaying a mobile application interface for recording a new refueling transaction. The screen features a status bar at the top with signal, battery, and time indicators. Below this is a blue header bar with the title 'Novo Abastecimento'. The main content area is titled 'Dados do Abastecimento' and contains four input fields: two dropdown menus for 'Posto de Combustível' and 'Tipo de Combustível', and three text input fields for 'Quantidade de Litros', 'Valor do Litro', and 'Quilometragem do Veículo'. A blue 'SALVAR' button is positioned at the bottom of the form.
